MORRIS E. McCARTY — 1895-1947

Born February 9, 1895, on McCarty Lane, east of the city, Mr. McCarty was the son of Mr. and Mrs. W. R. McCarty. He was graduated from Jefferson High School, and won his bachelor's degree from Purdue in 1918, with his master's degree there in 1925. He saw service in World War I, winning a commission, and then taught for a year at the University of Kentucky.

From 1920 to 1926 he taught at Montmorenci High School and from 1926 to 1929 at Klondike. In 1929 he came to Jefferson High School as a teacher and soon after was made principal. In 1932 he was made acting superintendent, which position he continued to hold until his death. He also served as Jefferson principal and after 1942 Mr. McCarty gave his full time to the superintendency. The schools flourished and made much progress under Mr. McCarty's able and popular administration.

Mr. McCarty's untimely death is mourned by the entire school and community. He was a friend of all who knew him. To those of us who knew him well, who worked by his side and who believed in him, it will be difficult to realize that he is not still here as our superintendent.

Superintendent McCarty has left a rich heritage to Lafayette schools in fine music, art, sound education practices, and public service. His greatness, his vision, and his alertness will live in the hearts of Jeff students.

---

---

SEPTEMBER

---

Gee, it seems like vacation just started, but here it is September again and the beginning of another school year — not to mention the beginning of a successful football season for our Bronchos.

---

---

OCTOBER

---

The annual Booster Dance turned out to be the outstanding event of the month with Helen Watkins reigning as queen and Linda Cassini, Eileen Pilling, and Gladys Thomas as her attendants.

---

---

NOVEMBER

---

Yippee! We are all dressed up in our best duds to attend the Gallop where Bill Riley lassoed the crown. Everyone was also talking about the spectacular return of the Red and Black Revue.

---

---

## DECEMBER

---

Christmas vacation finally rolled around, and all our spare time was taken up with ice-skating, sledding, the Holiday Tourney, and parties. And ohhhh some of the unique snow scenes that we saw at that time.

---

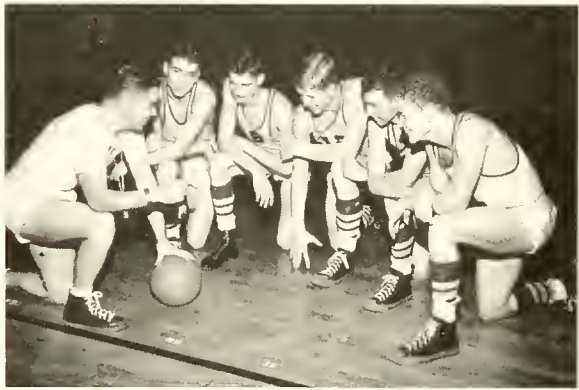

---

## JANUARY

---

With the Holiday Vacation over, it was back to school with our number one New Year's resolution being, more studying in the future. The change of the semester and exciting basketball games occupied the rest of our spare time.

---

---

## FEBRUARY

---

Cupid's Paradise, better known as The Queen of Hearts Dance, was held at Lincoln Lodge this year. Everyone agreed that Joann Scott, who was attended by Marilyn Moore, Joan Baugh, Donna Clark, Barbara Memmer, and Dorothy Kaiser, made a very nice valentine.

---

---

## MARCH

---

Our biggest date of this month was "A Date With Judy", starring a wonderful Senior cast. Orchids to the cast for bringing all the hilarious escapades of the unpredictable Judy to the Jeff stage.

---

---

## APRIL

---

April showers, severe attacks of spring fever and that certain feeling that a young man's fancy turns to took up most of our time this month. Charlene Kirkhoff and Allen Gregory are a couple of typical high school students who took advantage of one of those warm spring days.

---

---

## MAY

---

We found ourselves hearing much buzzing and gossiping in the halls this month. It was, of course, caused by the main attraction—the Senior Prom. This year's prom was no exception to the gaily decorated and colorful proms that were held in previous years.

---

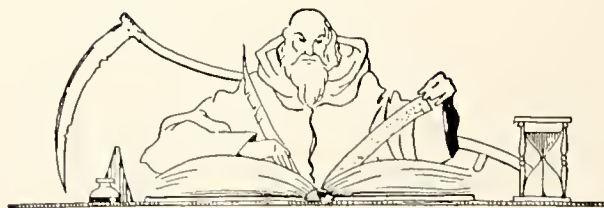

---

## JUNE

---

At last that day we have all been looking forward to has arrived — Graduation Day. To the Seniors, this was a happy but sad occasion. To the other Jeff students, it meant just another summer vacation, with days of swimming and sunning to look forward to. Did we say *just* another summer vacation?

#### SCHOOL BOARD

The School Board, composed of three members, Carl C. Siegler, president; George Pfrommer, secretary; and Francis H. Boor, treasurer, have the great responsibility for looking after the school life of the students in Lafayette. Financial matters in the schools, the welfare of the students and teachers in Lafayette, taking care of the school equipment are a few of the many difficulties confronting this board. The Jefferson High School students all give these men our sincere thanks for making Lafayette schools the best that can be found in the state.

D. Preston Calvert (right) has been the school attorney for the past several years. His services have been very much appreciated.

## JUNIOR HISTORY

As freshmen, we entered the halls of Jeff, feeling self-conscious and out of place. Our first few days there seemed almost like a nightmare. We couldn't find our classes and the word "Prep" seemed to haunt us everywhere we went.

As sophomores, we became a little more assured of ourselves. We began to join in social affairs and attend school meetings, dances, etc. We began to feel as though we really belonged to the school.

Now, as Juniors, we are considered upper-classmen and feel much better about the whole situation. This year we took part in many more activities and were more interested in our studies.

## SOPHOMORE HISTORY

'Way back when we were freshmen. Yes, 'way back last year we felt uncertain whether we really wanted to go to Jeff. We felt and acted just as all freshmen do.

In our sophomore year we have felt much more at ease and have participated in school activities and clubs. In our two future years at Jeff we intend to become more active so Jeff will not forget the Class of "49".

## FRESHMAN HISTORY

Only last September, we shyly made our way through the halls, avoiding the upper classmen as much as we could. We dropped books, bought elevator and Convo tickets and the word "Pry" is still ringing in our ears. The school still seems a little new to us but we're adjusting very rapidly by joining clubs and participating in social affairs. In our future years here at Jeff we hope to be active in school affairs and establish ourselves to more modern means of study.

The Jeff Bronchos experienced another fine season, finishing first in the North Central Conference with a conference record of six wins and no losses. They finished the season with a total of eight wins and no losses. The team this year also boasted of an All-State player, Bill Afflis, guard, being chosen on the first team of all polls. This year's team was reinforced by two new coaches, Norm Willey, line coach, and Gene Britt, end coach. Their services were invaluable as the season's record shows.

Pete Gettings, end candidate, was sidelined by a leg injury the first of the season. His was the only major mishap of the season.

The 1946-47 basketball team will be remembered in years to come, partly because of the fine schedule turned out and partly because of their actual basketball ability. They copped the North Central Conference title by winning ten and losing none. This is the first year that has been accomplished since 1935.

That 51 to 50 tragedy handed out by Rossville in tournament play was the same jinx that has hovered over the Bronchos for many preceding years. It, by the way, was one of the hardest fought games ever to be played in the Jeff gym.

The ball club consisted of "Perk" Reitemeier, Don Bol, Bob Lennen and Dick Schnaible, seniors, and Bob Masters, the only junior on the team. The absence of Pete Gettings was felt considerably. These seniors have worked hard for four years together.

From the student body to these graduating seniors we extend a hearty greeting for a job well done.

## CROSS-COUNTRY

This year a new sport was introduced into Jeff. This being Cross Country. Quite a few fellows turned out and they developed into a good team. One of our new coaches this year, Mr. Glendenning, was the coach. The team had two meets with Frankfort, a triangular meet with Ben Davis (Indianapolis) and Pike Township, one meet with Marion, and then the state meet. As a whole, the team did a good job. Next year everyone is looking forward to a strong showing as many lettermen are returning. The team finished among the first third of two hundred and fifty teams in the state.

## WRESTLING

Another good sport newly introduced into Jeff is wrestling. This rough-and-tumble sport is coached by Norm Willey, one of the new coaches this year.

Due to the fact that this sport has just started in this school, the team as a whole turned in a good starter.

The team, piloted by Bill Morrow, came out seventh in the State Wrestling Meet held at Bloomington. There were thirteen teams competing for the title.

There will be many new returning lettermen for next year.

## BASEBALL

## Bible Club

*First Row:* G. Larwey, R. Kellogg, P. Martin, B. Rediger, J. King, R. Steiner, V. Denham.  
*Second Row:* E. Bone, M. Kellogg, P. Clay, E. Porter, M. Farner, M. Ellis, Mrs. Steiner.

The Bible Club was a new organization at Jeff this year and it was started and promoted by Miss Steiner. It held regular meetings and it was open to any student, regardless of creed, who was interested in religion. Becoming more familiar with the Bible was the main theme of the year and this was promoted by learning Bible verses and by contests.

The officers were: Janice King, president; Richard Steiner, vice president; and Bette Rediger, secretary-treasurer.

## Band

The Band was under the leadership of Mr. McAdams again this year after his absence serving in the Navy. It got to work immediately at the beginning of the school year and furnished music for the football games and later for the basketball games. The students especially enjoyed its cooperation in putting over the "Band Yell". After basketball season was over it began contest work. This year it entered the Northern district and went to the solo and ensemble contest at Whiting and to the State Band Contest at South Bend. It gave a Spring Concert for the public and the annual Band Dance for its members.

## Orchestra

The orchestra was reorganized this year by Mr. McAdams when he returned to Jeff after service in the Navy. During the year the orchestra played for the Red and Black Revue, for the Operetta, for the Basketball Banquet, and also went to the State Band Contest at South Bend.

## Drum Majorettes

*Reading left to right:* Bonnie Fisher, Margaret Ann Rhodes, Barbara Morgan, Joann Scot.

The Drum Majorettes for this year were Bonnie Fisher, Joann Scott, Barbara Morgan and Margaret Ann Rhodes. They twirled for all the football games and made a very nice display of twirling techniques. Early in the spring they entered a contest in Terre Haute.

Dr. Smith gazed critically at his patient, "Did you take my advice and sleep with all the windows open?" He asked.

"I did", Betty Haas murmured.

"Good," said the doctor. "And I suppose you've pretty well lost that cold you had?"

"No, doctor," said Betty, "Only my best dress and my watch."

In a high school class the students were instructed to express themselves on the subject, "The Most Beautiful Thing in the World."

A lazy lad in the back of the room pondered briefly, wrote a single line, and lapsed into slumber. Curiously the teacher read over his shoulder, "My girl—too beautiful for words."

Safety Teacher: "What is a pedestrian?"

Freshman: "A man with a wife and a son over seventeen."

---

Upon being asked what kinds of clauses there were, the supposed English expert replied, "Subordinate, and insubordinate, of course!"

ACCOMMODATING

"I want a shave," said the disgruntled man as he climbed into the barber's chair. "No haircut, no shampoo, no rum, witchhazel, hair tonic, hot towels, or face massage. I don't want the manicurist to hold my hand, nor the bootblack to handle my feet. I don't want to be brushed off, and I'll put on my coat myself. I just want a plain shave, with no trimmings. Understand that?"

"Yes, sir," said the barber quietly. "Lather, sir?"

LOGICAL DEDUCTION

Prosecutor: "Now tell the court how you came to take the car."

Defendant: "Well, the car was parked in front of the cemetery, so, naturally, I thought the owner was dead."

### JACKPOT

An inebriated gentleman walked into a store and went to the telephone booth. He picked up the receiver, dropped in a nickel and then heard a voice:

"Number, please."

"Number, nothing," he retorted, "I want my peanuts."

An old man from an out-of-the-way community died recently after seeing an automobile for the first time. It seems that he didn't see it soon enough.
